### 2015, 540NR Booklet - State of California Franchise Tax Board

The state and local governments collected about \$220 billion in tax revenue in 2015-16—equal to nearly 10 percent of the California economy. The personal income tax is the state's main revenue source, the property tax is the major local tax, and the state and local governments both receive revenue from the sales and use tax. In addition, many smaller taxes raise revenue for state and local government operations.
