You can use a regular tooth brush (without toothpaste) and brush as you would your own teeth. Even a wet wash cloth can do. Wrap a moist wash cloth around your finger and rub the teeth and gums. There are also brushes you can obtain at a pet store. Some cocker spaniels have folds in their lower lips that hold moisture and make trimming difficult.

### clipping - My Cocker Spaniel

Of course, grooming your Cocker Spaniel means more than just trimming his coat. You should also clip his nails at least monthly, and check his ears weekly to see if they need cleaning. Cocker Spaniels are particularly susceptible to ear infections, so take a look to see if there are signs of odors or redness that might indicate such a problem.

### 4 Best Cocker Spaniel Clippers (Video) - Simply For Dogs

Clipping of the fur is not allowed for show purposes on the Cavalier King Charles Spaniel. If you don't plan on showing your dog, you can have the coat clipped to a puppy cut, which shortens the fur all over the body to about an inch in length.
