From The War On Poverty

The War on Poverty is the unofficial name for legislation first introduced by United States President Lyndon B. Johnson during his State of the Union address on January 8, 1964. This legislation was proposed by Johnson in response to a national poverty rate of around nineteen percent.

War on poverty - Wikipedia

War on Poverty, expansive social welfare legislation introduced in the 1960s by the administration of U.S. Pres. Lyndon B. Johnson and intended to help end poverty in the United States. It was part of a larger legislative reform program, known as the Great Society, that Johnson hoped would make the United States a more equitable and just country. The War on Poverty and its associated reforms became a lightning rod for conservative criticism as well as an idealistic touchstone for liberals ...
