### John Meadows Training Program

All of this is the brainchild of IFBB Pro League bodybuilder and programming guru John Meadows, C.S.C.S. We've included a sample week from his six-week Project Colossus program. The tenets are outlined below, but here's the gist: You're going to lift as hard as you can, eat thousands of calories, and let your body guide your progression. When it's all over, you'll have the mass to show for it.

### John Meadows' 6-Week Plan for Packing on Muscle Mass

...

John Meadows' style of training is typically used by only very advanced lifters. Here's how to make it work for you if you're a mere mortal.

### Mountain Dog Training for Intermediates | T Nation

John Meadows trains every day. His workouts, however, vary from one day to another and with the seasons as well.

Unsurprisingly, the John Meadows program is a mix of different

## **John Meadows | Granite Athletes | Granite Supplements**

For natural lifters, frequency of training is more important than it is for enhanced lifters. For natties, the training session is responsible for 80-90% of the increase in protein synthesis that will lead to muscle growth; steroid users have drugs to help with that 24/7. This increase in protein synthesis lasts roughly 24-36 hours after the ...

## **The Best Damn High Volume Workout Plan for Natties | T Nation**

Truth be told, the training strategy devised by IFBB pro and Columbus, OH-based bodybuilding coach John Meadows six years ago isn't for the weak. "Out of the last five guys I had down to train legs, three of them threw up," Meadows admits. However, he's quick to point out another key fact.
