Race and economics. Race & Economics: How Much Can Be Blamed on Discrimination? By Walter E. Williams, Stanford, CA, Hoover Institution Press, 2011, 174 pp, \$21.33/hardback; \$8.40/ paperback. Many people in government and academia argue that government- imposed allocation of resources, rather than free-market resource allocation, is needed to keep minorities from being subject to discrimination by the majority and Big Business.

Bo view Book Review Race and economics

Race and Economics is a book by Thomas Sowell, in which the author analyzes the relationship between race and wealth in the United States, specifically, that of blacks. The book was initially published by David McKay Company in January 1975.. Overview. He makes three basic arguments. First, he examines the economic impact of slavery, in the United States, the West Indies, and elsewhere.
