The Village Of Round And
The Village of Round and Square Houses by Ann Grifalconi received the Caldecott Honor Book Award in 1987 for one of the most distinguished picture books for children. As an African folk tale, learning about an actual village, To, and how it came to be that women lived in the round houses and men in the squared houses was quite enjoyable and informative to me.

The Village of Round and Square Houses by Ann Grifalconi
The village of Tos is like no other village in the world, for in this village the women live in round houses and the men live in square ones. The story of how this came to be is told from the point of view of a young girl who grew up there. Ann Grifalconi's bold, dynamic art and rhythmic storytelling recreate this world and make The Village of Round and Square Houses a perfect book for reading aloud.

The Village of Round and Square Houses by Ann Grifalconi ...
Tos is an actual village, on the side of an inactive volcano in Central Africa. It is the village in the book's title, where women dwell in round thatch-roofed huts and men live in square ones. This book tells the story of how the houses were so designated, in the aftermath of the volcano releasing its full fury on the village.
