The Relationship Between Trademarks and Unfair Competition Law. The best way to envision the relationship between trademarks and unfair competition is to imagine an umbrella. The umbrella is unfair competition and trademark infringement is one spoke in the umbrella. This is because trademark infringement is a form of unfair competition, that is, fraud or dishonest business dealings in trade and commerce.

Our Division focuses on trademarks, trade names, branding, unfair trade practices, unfair competition, false advertising, counterfeiting and domain name infringement – essentially any subject area that falls within federal, state and international trademark and unfair competition laws.

Trademarks and Unfair Competition Division

comprises all other forms of unfair competition. Unfair competition does not refer to the economic harms involving monopolies and antitrust legislation. What constitutes an "unfair" act varies with the context of the business, the action being examined, and the facts of the individual case. Two common examples of unfair competition are trademark infringement and misappropriation.
