Regional literature has always been important in the United States. Until the end of the 19th century, American literature was dominated by the works of New Englanders, such as Cotton Mather. Sermons and religious tracts provided the greatest part of the writing.

About the USA > Arts > Literature

United States - United States - Cultural life: The great art historian Sir Ernst Hans Josef Gombrich once wrote that there is really no such thing as "art"; there are only artists. This is a useful reminder to anyone studying, much less setting out to try to define, anything as big and varied as the culture of the United States. For the culture that endures in any country is made not by ...
